STANDARDS AND GUIDELINES - [NITC 1-204](#): IT PROCUREMENT REVIEW POLICY (REVISED)*

Mr. Becker reported that only one comment was received. The following changes were made to the standard:

- Section 1.2.1 – The third bullet was omitted
- Section 1.2.4 – This section was omitted due to prior sections addressed this section already.

The Technical Panel recommended approval of the revised standard by the NITC.

NITC 1-204: IT Procurement Review Policy is an existing approved standard. The proposed document is a revision. The Council discussion included the following:

- Rules that are already in statute.
- All procurement processes for the state should be reviewed and addressed. Agencies need to be in communication as to processes in place already and provide feedback and suggestions on improving.
- Agencies would like the Office of the CIO to initiate and maintain regular contacts with agencies.
- Include in the preapproved list of items a bullet that states "agency specific approvals".

Mr. Ceacle moved to table approval of the standard until it can be further developed to address issues discussed. There was no second

Discussion followed regarding a pre-procurement process to coincide with the standard.

Mr. Miller moved to approve the standard as presented. There was no second.
